### Complies with the New Zealand Building Code (NZBC):

If designed, used, installed and maintained in accordance with the scope of this certificate, the above mentioned product will meet or contribute to meeting the following provisions of the NZBC:

- B1.3.1, B1.3.2, B1.3.3 (b), (f), (g), (h), (q), B1.3.4.
- B2.3.1 (a), B2.3.2 (a)
- F2.3.1

Subject to the following conditions and limitations:

LUMBERLOK Timber Connectors should only be used for the purpose for which each of them is designed and manufactured, and in accordance with the technical information supplied. In particular, the number and size of the nails and screw fixings specified by the manufacturer (Characteristic Loadings Data – May 2018) must be followed. Selection of connector and fastener material, and installation must be in accordance with the manufacturer's instructions "Structural fixings on-site guide (Jan 2018)"

- This certificate is issued by an independent certification body accredited by JAS-ANZ, the product certification body appointed by the Chief Executive of the Ministry of Business, Innovation and Employment under the Building Act 2004. The Ministry does not in any way warrant, guarantee, or represent that the building method or product the subject of this certificate conforms with the New Zealand Building Code, nor accept any liability arising out of the use of the building method or product. The Ministry disclaims to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages, and costs arising as a result of the use of the building method(s) or product(s) referred to in this certificate.
- The certificate holder must maintain compliance with the conditions set out in section 15 of the Building (Product Certification) Regulations 2008. This certificate may only be reproduced in its entirety. It is advised to check that this certificate is currently valid and not withdrawn or suspended by referring to the Register of Product Certificates on the Building Performance website <http://www.building.govt.nz>.
